Dear John

Words cannot express  
my feelings when I received  
your letter of June 10<sup>th</sup> —

we were all  
thoroughly alarmed for your  
safety — as so many letters were  
sent to San Francisco — and found  
no owner — David and Daniel  
both wrote to San Francisco  
but their letters were returned  
to them, after lying there thirty  
days — Sarah sent two, and I  
sent two —

how happy I am  
to know that you are well  
and comfortable — and have  
enjoyed life so much in the  
golden state — after all your  
travels — I hope you will arrive  
in health in Wis —

We are all about our usual  
Daniel has not had fever this  
summer and is still in Mich.  
in the same situation his  
address is the same - Wright  
and Sarah and David and  
Mary and Annie and Joanna  
all met at the McKays on  
the fourth - and enjoyed them-  
selves greatly - the first three  
had all their families with  
them of course - Joanna is  
teaching this summer too -  
she is in the McKay district  
your father or I drive over  
for her on Friday evenings  
and take her back on  
Monday mornings so she is  
a good part of the time at  
home - hoping to hear again  
from you soon - I remain  
your affectionate  
brother
